SCAL SIGNS MOU WITH SINGAPORE ENVIRONMENT COUNCIL

As of June 2009, SCAL has set up 2 new committees to look at Sustainable Building and Green Technology which is the new focus of our Government.

Upon finalizing the committee members of the Environment Sustainability Committee headed by Dr Ho Nyok Yong, 1st vice President of SCAL, the committee touched base with Singapore

Environment Council (SEC), Mr Howard Shaw, to work together on programmes and events to help our local contractors go green.

On 6 Nov 2009, SCAL formally signed a Memorandum of Understanding with SEC, witnessed by Dr Amy Khor at the "Environment Champions & Green Office 2009" event organized by SEC, NEA and City Development Ltd. SCAL's President Mr Andrew Khng and Mr Simon Lee attended the event.
